WHO WE ARE

One local team. Every Aegean port.

Aren Yachting has arranged private yacht charters and VIP travel on the Turkish coast since 2001. Our team works on the ground in Bodrum, Göcek, Marmaris, Fethiye and Bozburun – the ports where the finest gulets, motor yachts and superyachts of the Turkish Riviera are based.

Today we bring that experience to partners, owners and captains as a complete concierge service: one trusted team for everything your guests and your yacht need, before, during and after the charter.

FOR GUESTS

From touchdown to farewell

Every moment around the charter, arranged by one team – in the order your guests will live it.

Arrive in Style

Fly straight to the coast on a private jet into Bodrum-Milas, Dalaman or Izmir, with smooth handling on arrival. Where landing permits allow, a helicopter can take you from the airport to the marina – or directly to the yacht – in minutes.

Before & After Your Voyage

Many guests add a few nights on land. We reserve private villas with pools and staff, or suites in the finest hotels on the Bodrum peninsula, in Göcek or in Istanbul – timed perfectly to your boarding and departure days.

Tables Worth Sailing For

In July and August the best tables and beach-club day beds are booked days ahead. We reserve them for you, arrange the tender transfer from the anchorage and make sure your table is waiting when you arrive.

Moments to Remember

Birthdays, anniversaries, proposals, weddings and family reunions at sea. Flowers, cakes, decorations, photographers and videographers are arranged in advance and timed to the minute – from a sunset dinner for two to a celebration for a large group.

Freedom on Land and Sea

Cars with or without a chauffeur, day boats and fast tenders, bicycles and e-bikes, and extra water sports equipment such as jet skis, paddleboards and Seabobs (subject to local rules) – delivered where and when you need them.

Wellbeing on Board

Massage therapists, beauty specialists, hairdressers and personal trainers who come on board or meet you ashore – and on-call doctors for peace of mind throughout your stay.

Peace of Mind

For high-profile guests and families: discreet close protection, secure transfers and private security, arranged confidentially with experienced professionals.

From Runway to Deck

A chauffeur waits at arrivals with your name, in a Mercedes Vito, a VIP vehicle or a Sprinter for larger groups. Child seats on request, chilled water on board, and your luggage taken straight to your cabin – the holiday starts the moment you land.

Your Route, Your Rhythm

Together with your captain, we design a route around what you love: quiet coves for swimming, lively harbours for dinner, Greek islands, ancient sites or the best snorkelling. The plan stays flexible and adapts to the wind and your mood.

Stories Ashore

Private guided days with expert guides: the ancient city of Ephesus, Bodrum Castle, the rock tombs of Dalyan, the sunken city of Kekova or a day in Istanbul – with private transport and lunch arranged around you.

Evenings on the Coast

Live musicians on deck, a DJ for a party at anchor, a private event ashore or reservations at the coast's most exclusive night spots – your evenings planned as carefully as your days.

The Yacht's Pantry

Fine wines and champagne, premium provisions, favourite brands from home and special dietary requests – sourced from trusted suppliers and delivered to the yacht wherever she is, so the chef has everything ready.

Invisible Housekeeping

Laundry and dry cleaning collected from the yacht and returned quickly, including delicate fabrics and formal wear – so the crew can focus entirely on you.

FOR OWNERS & CAPTAINS

Your yacht, fully supported

A dependable partner in every Aegean port, so the captain can focus on the yacht and her guests.

Smooth Arrivals & Departures

We prepare entry and exit formalities in advance, handle the transit log and immigration for crew and guests, and coordinate timings with the captain – including crossings between Turkey and the Greek islands of Kos, Symi and Rhodes.

Fuel Without the Fuss

Duty-free fuel for eligible yachts, with delivery planned around the itinerary and the marina's schedule, and all paperwork prepared in advance.

Engineering Back-up

When something needs attention, we bring in trusted engineers and technicians, coordinate the repair and keep the captain informed – so the yacht stays on schedule.

Looking After the Crew

Day workers for busy turnarounds, crew transfers, accommodation, medical appointments and local assistance for the people who make every charter possible.

A Place in the Marina

Berths in the leading marinas of Bodrum, Göcek, Marmaris, Fethiye and Bozburun, arranged early and confirmed in writing – including the busy weeks of July and August, when space is hardest to find.

Supplies to the Stern

Fresh produce, meat and fish, provisions, flowers and special orders from trusted local suppliers, delivered to the yacht or the quay – early in the morning if needed.

Parts on the Move

International shipping of spare parts and equipment, customs clearance, couriers and fast deliveries to the yacht or marina, handled from start to finish.

Paperwork & Counsel

Yacht documents, permits and contracts, with experienced maritime lawyers in our network for anything that needs professional legal advice.
